BAMBOO™ STYLUS

Whatever you do on a touch screen with your finger, with a Bamboo™ Stylus you can do it better.

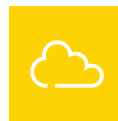

Experience the natural feel of a high-quality pen as you navigate, draw, sketch, take notes, capture ideas and more. Enjoy optimal convenience with precise control – while keeping your screen absolutely smudge-free.

Your Bamboo™ Stylus is a sign of true style – made of high-quality materials with fine textures in an elegant premium design.

Express yourself with a Bamboo™ Stylus.

BAMBOO™ STYLUS

With Bamboo apps and Wacom Cloud Services you can do even more. They are your key to a whole new touch screen experience:

Wacom Cloud services

Wacom Cloud services are a convenient, easy way to store and share your ideas and images between devices and apps.

Bamboo Paper

Be even more creative and productive with ease. Bamboo Paper is the convenient, straightforward app solution for taking notes, sketching and doodling. It's as simple as using a paper notebook.

Bamboo Loop

Discover an enjoyable new way to communicate. Take any photo you like, simply give it a personal touch with your stylus, and send it to your friends. “Looping” is photo-sharing with loads more fun!

THE FINE DIFFERENCE. PRECISE IN EVERY DETAIL.

The Bamboo™ Stylus fineline is an advanced smart stylus with perfect ergonomics for iPad® users who frequently take notes or want to write, sketch and draw on their iPad. Its innovative thin-tip technology gives you an entirely authentic, nuanced and natural handwriting experience.

Premium precision for your ideas.

Bamboo Stylus fineline

Compatible with all iPads featuring Bluetooth® Smart technology: iPad (3rd and 4th generation), iPad Air, iPad mini (1st and 2nd generation) – or newer.

Elegant design

- stylish, premium curvature design
- select, high-grade materials
- soft-touch aluminum finish

Finest support

- pressure sensing, palm rejection and customizable side switch
- fully integrated with Bamboo Paper and Wacom Cloud
- compatible with leading apps for note taking and PDF markup

Length

5.94 in (150.8 mm) – including cap

Diameter

approx. 10–12 mm

Nib

Replaceable and solid thin nib (1.9 mm diameter)

Five beautiful color options

gray, silver, blue, pink, orange

BAMBOO™
STYLUS *fineline*

BAMBOO™ STYLUS *fineline*

The Bamboo Stylus fineline connects to your iPad via Bluetooth® Smart technology to enable the active features of the stylus.

The palm rejection of this iPad stylus is supported by a wide range of apps. This ensures the most relaxing writing experience ever. Your palm or fingers touching the screen can't disturb you anymore.

Your stylus allows for up to 26 continuous hours of writing time. Easily and quickly recharge it with the USB cable included.

The thin nib (only 1.9 mm) and smart pressure sensing allow note taking, handwriting and doodling with a feel as natural as pen on paper. Your handwriting looks truly authentic, your sketches finely nuanced.

THE SMOOTH EXPERIENCE. TRUE TO YOUR STYLE.

The third-generation Bamboo™ Stylus solo has a unique and responsive carbon fiber nib that gives you the smoothest pen-like experience on touch screens – whether you write, doodle or navigate.

Perfect in-hand balance with style.

Bamboo Stylus solo, 3rd Generation

Compatible with media tablets, smartphones and PCs with capacitive touch screen.
