1. Subscription or other payment may be required to access certain content. Channel availability subject to change and content may not be available in all regions Roku players are sold.

2. Availability of 1080p HD video limited by channel provider and speed of broadband connection.

3. The 4K experience requires a compatible 4K TV. 4K content will not be available on all channels.

4. Roku search is for movies and TV shows and does not work with all channels. Premium subscriptions not included with purchase.

5. Many features work with top mobile devices. Please see support.roku.com for device compatibility information.

6. Hotel & Dorm Connect works with current-generation Roku® Streaming Stick®, Roku 2, Roku 3 and Roku 4 streaming players only, and requires a wireless-enabled hotel or dorm. Use a web browser on your wireless-connected smartphone, tablet or laptop with web browser to sign in to enable your previously activated Roku device with Roku OS 7 or higher to start streaming. You need an adaptor, HDMI® Cable and Roku remote. (The Roku Mobile App remote does not work to enable with this feature). Content may be limited or unavailable. See www.Roku.com/support for details.
