LOGITECH® MULTIMEDIA SPEAKERS Z213

Full Bass, Compact Design

Add a richer, deeper sound experience to YouTube® videos, streaming movies, your favorite music and games. Compact satellite speakers deliver excellent sound quality yet fit easily on a desk, bookshelf or TV cabinet. The subwoofer pumps out deep bass that's easy to adjust to your liking. Whether you want better, fuller sound for your Windows® PC, Mac® or the music on your smartphone, this stereo speaker system makes great audio plug-and-play easy.

FEATURE AT A GLANCE

Rich, full bass
The down-firing subwoofer with 4" driver pumps out deep, full bass you can feel.

Convenient control pod
The wired control pod with power on/off and volume adjustment keeps you in full command of your sound.

Adjustable bass control
Quickly adjust the bass up or down to your taste with a simple turn of the control knob on the back of the subwoofer.

Compact design
With an inclined design, each satellite speaker is angled up to direct detailed sound to your ears while also saving valuable desk space.

Headphone jack
Plug your headphones into the control pod to listen to music and movies in total privacy.

High quality design and acoustics
These solidly crafted speakers are built to last with high-quality acoustics, tested and tuned at Logitech's state-of-the-art audio labs.

WORKS WITH

Audio devices with 3.5mm output including: Windows® and Mac® OS computers, smartphones, tablets, MP3 players

WHAT'S IN THE BOX?
