- Control home automation devices such as Philips® hue lights, Nest Learning Thermostat™, August door locks and more
- Control home entertainment devices like Apple TV®, Roku® or Sonos®
- Control game consoles like Xbox One™, Xbox 360®, PS3™ or Wii™

#### 2. Full-featured remote

- Dedicated Activity buttons like “Watch TV” turn on all the right devices and settings
- Streamlined button layout and full number pad make it easy to change channels, adjust volume, forward and rewind
- Dedicated home automation buttons let you activate individual or grouped devices with one button press

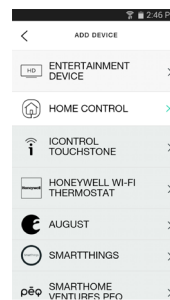

#### 3. Closed-cabinet and game console control

- Included Harmony Hub sends commands from the remote or Harmony App to your devices using IR, Wi-Fi® or Bluetooth® wireless signals<sup>3</sup>
- Control devices behind closed cabinet doors
- Access online entertainment services like Netflix® and Hulu® on your PS3™, Wii™, Xbox One™ or Fire TV.

#### 4. Turn household smartphones into personal remotes

- Harmony App lets anyone in the house turn their smartphone or tablet into a universal remote
- Customize with one-touch Favorite channels and multi-device Activities
- iOS® and Android™ apps available

#### 5. Simple setup for 8 devices

- Harmony works with over 270,000 devices from 6,000+ brands
- Simply enter the model numbers and brands into the Harmony App<sup>2</sup> to setup control for your devices in just minutes—right on your smartphone or tablet.

<sup>1</sup> Smartphone, lights, locks, thermostats, sensors, blinds, and other products sold separately.  
<sup>2</sup> Initial online and/or mobile setup required. Data rates may apply for mobile app download.  
<sup>3</sup> Wireless and IR range may vary due to environmental conditions.
