LOGITECH® TYPE+ PROTECTIVE KEYBOARD CASE FOR IPAD AIR™ 2

Protective Case with Integrated Keyboard

Type+ is an all-in-one iPad® case that's always one idea ahead of the rest. Type+ looks like an iPad, but feels like a laptop, so you can create, explore and say more everywhere you use your tablet.

Available in Carbon Black, Violet, Dark Blue, Electric Blue and Bright Green

FEATURES AT A GLANCE

Great typing and tapping
- *Bluetooth*® Keyboard with iOS® shortcuts for familiar, fast, accurate typing
- Stand keeps iPad stable for fluid tapping without tipping

Incredibly thin and light
Adds iPad protection and better productivity without extra bulk

Two viewing options
Versatile viewing—position iPad upright for typing or lay flat for reading or browsing in comfort

Serious protection
Durable water-repellant case protects front and back of iPad from accidental bumps, scratches and spills

Smart power management
iPad auto wake/sleep and keyboard auto on/off conserve battery power

Long-life rechargeable battery
Up to three months of power on a single charge.* Easy recharging with included USB cable

WHAT YOU NEED
- iPad Air 2

WHAT'S IN THE BOX?
- Keyboard Cover
- USB cable for charging
- Documentation
