For more in-depth videos, setup demonstrations and product information, please visit www.Walmart.com

**Before you begin**
Read all instructions thoroughly before beginning setup.
- Select a level site clear of rocks, branches, and other hard or sharp objects, to set up your shelter.

**WARNING:** Keep clear of overhead power lines.
- Do not set up your tent under trees because of potential lightning strikes or falling tree limbs in inclement weather.
- For best results in windy conditions, position narrow end of tent into the wind.
- Secure with all stakes and guylines provided to prevent property damage or personal injury.
- Two people can easily setup this tent in 2 minutes or less.

Item No. WMT-141078B
Model No. 30391
### Storing the Tent
- Remove stakes and place in their storage bag.
- Store in a clean, dry area.

**Things You Should Know**
- Under certain conditions (cold weather, high humidity, etc.) condensation will form on the inside of your tent. Condensation is caused by water vapor from your breath, perspiration or any wet clothing inside the tent. It is NOT LEAKAGE through the tent fabric. It can be minimized by removing wet clothing from your tent and by providing good ventilation through the tent.
- Never store tent, even for a short period of time, without drying it thoroughly and brushing off caked dirt.
- STAKES SHOULD BE REMOVED BY PULLING ON THE STAKE ITSELF. NEVER PULL ON THE TENT TO REMOVE STAKE.
- Do not leave your tent set-up for weeks at a time. Be aware that exposure to ultraviolet rays from the sun can seriously damage material and/or cause it to become discolored.

**WARNING:** KEEP ALL FLAME AND HEAT SOURCES AWAY FROM THIS TENT FABRIC

This tent is made of flame-resistant fabric which meets CPAI-84 specifications. **IT IS NOT FIRE-PROOF.** The fabric will burn if left in continuous contact with any flame source. The application of any foreign substance to the product fabric may render the flame-resistant properties ineffective.

**DO NOT** use fuel burning devices inside or near tent materials.

**DO NOT** permit children to light matches, operate burning appliances or handle any flame sources in or near the tent.
- Do not smoke, use matches, candles or open flames of any kind in or near the tent.
- Do not refuel lanterns, stoves or heaters inside tent.
- Do not cook inside tent.
- Do not store flammable liquids inside tent.

**NOT LEAKAGE** through the tent fabric. It can be minimized by removing wet clothing from your tent and by providing good ventilation through the tent.

### 6 Month Limited Warranty
Campvalley Global Limited warrants for a period of 6 months from the original date of purchase, this product against any defects in materials or workmanship. At its discretion, Campvalley Global Limited may provide replacement parts to original purchaser. Original receipt or proof of purchase as well as proof of defect is required. Campvalley Global Limited will not be responsible for shipping costs incurred outside the continental USA. Warranty is valid for the original purchaser six months from the date of purchase and is not transferable. This Warranty does not cover any product purchased through non-authorized dealers and/or online auction websites.

**This Warranty Does Not Cover**
- This 6 Month Limited Warranty does NOT cover normal wear and tear, abuse or misuse of this product including damage from inclement weather conditions, such as wind, rain or hail. In case of inclement weather remove all valuable belongings and persons and seek appropriate shelter. Under no circumstances will Campvalley Global Limited be liable or responsible for any incidental or consequential damages.
- This product is designed and intended for recreational use only. Prolonged exposure to UV rays will cause any fabric to fade and deteriorate and is NOT covered by this warranty.
