

LOGITECH® SMART CONTROL

Turn your smartphone or tablet into a one-touch universal remote.

Now you can control your entire entertainment system with the smartphone or tablet you already own. The Harmony Hub combined with a powerful app give you personalized control of up to eight devices—even through closed cabinets and walls. Plus, you get a simple Harmony remote for everyone in the house when your smartphone or tablet isn't handy.

Includes Harmony smartphone app, Harmony Hub for control of hidden devices, and a simple remote control the whole family can use.

FEATURE AT A GLANCE

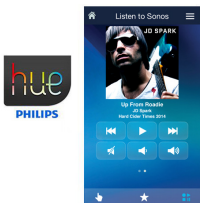

1. Smart control

- Controls up to 8 devices you own today and add tomorrow including PS3®, Wii® and Xbox One® and Internet subscription services like Netflix® or Hulu™
- Includes Harmony Hub for control of devices behind cabinet doors or walls
- Compatible with 270,000 devices from 6,000+ brands
- Online database is regularly updated with commands for new devices

4. Harmony App

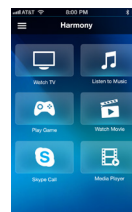

- Turns smartphone or tablet into a personal universal remote³
- One-touch activity controls, like “Watch TV”, power on the right devices to the right settings
- Simple swipe and tap to change channels, adjust volume, rewind, etc.
- Easily organize and re-order buttons, activities and up to 50 Favorite channel icons⁴ the way you like them

2. Controls Sonos®, Amazon Fire TV®, Apple TV® or Phillips hue®

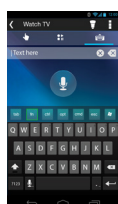

Use the Harmony App to control:

- Sonos¹ music, favorites, play, pause, volume
- Phillips hue² lighting settings
- Streaming TV boxes

5. Easy guided online setup

- Download the Harmony App to your computer or your iPhone® 4S or later or Android™ smartphone with Bluetooth® Smart Technology
- Live customer support

3. Find your content faster

- Avoid frustrating on-TV keyboards
- Use your smartphone/tablet keyboard or speech recognition capability with the Harmony App to find your content faster on Apple TV, Roku® or Amazon FireTV
- Also works with Windows® PC and Mac®

6. Handheld remote included

- Simple all-button Harmony universal remote for anyone when your smartphone or tablet isn't handy
- Works with the Harmony Hub for control of devices in closed cabinets

¹ Sonos music player sold separately.

² Phillips hue lights sold separately.

³ Compatible with iOS 6.0 or later and Android 4.0 or later.

⁴ Channel availability subject to your local service provider.
