

MAKING  
IDEAS

BAMBOO™

Ideas shape the world around us.  
With the right people and tools, they turn from  
thoughts in our heads to ideas that change  
everything.

Designed for a natural ink experience, whether  
pen-on-paper or stylus-on-screen, our products,  
apps and cloud services work together to  
capture, shape and share your ideas. Whether  
sketching doodles, writing a symphony or  
planning your next big thing, Bamboo is made for  
making ideas.

Bamboo Solo

Bamboo Duo

Bamboo Alpha

#### Smart folio with gadget pocket

A smart folio with space to carry your smartphone, business cards or extra paper.

#### Smart folio with tablet sleeve

A smart folio with a flexible sleeve to hold a tablet with up to a 9.7 inch (diagonal) display.

#### Smart folio with snap-fit for iPad Air 2

A smart folio designed to fit the iPad Air 2.

## BAMBOO™

### Spark

#### Take notes. Make ideas. From paper, to cloud, to life.

The Bamboo Spark is a smart folio with a smart pen and a spot for your favorite paper. Write by hand. Press a button and save your handwritten notes digitally. Move them to the Bamboo Spark app and the Wacom Cloud for editing, archiving, sharing and accessing anywhere.

- Capture handwritten notes on any paper and with a push of a button your handwritten content is saved digitally for organizing, editing or sharing.
- The Wacom Cloud gives you access to your content on most devices: smartphone, tablet or computer.
- Works seamlessly with cloud-based services, including Evernote or Dropbox.
- Shape your notes in Bamboo Paper with WILL™ universal ink, which allows your content to stay editable within the Wacom Cloud.
- Choose from one of the three smart folios in the range.

### Precisely capture your ideas

-  Compatible with iPad 3, iPad 4, iPad mini, iPad mini 2, iPad mini 3, iPad Air and iPad Air 2
-  Fine tip designed for note-taking
-  Pressure sensitivity in compatible apps for fluid performance

### From idea to cloud to life

-  Use Wacom Cloud and use WILL™ universal ink for making ideas
-  Works with leading note-taking apps including Bamboo Paper, Notes Plus, GoodNotes, ZoomNotes and MyScript® Smart Note

## BAMBOO™ Fineline 2

The Bamboo Fineline 2 is a smart stylus that allows you to precisely capture your ideas on your iPad. With a pressure-sensitive fine tip, the Bamboo Fineline 2 provides a fluid performance for note-taking, handwriting, doodling and navigating on your iPad®.

The Bamboo Fineline 2 is made of high-quality materials in an elegant design for the feel of a premium pen. Choose from one of four colors: blue, grey, gold and black. Its durable, fine tip can be easily replaced.

It's compatible with iPad 3, iPad 4, iPad mini, iPad mini 2, iPad mini 3, iPad Air and iPad Air 2.

The Bamboo Fineline 2 works seamlessly with the leading note-taking apps, including Bamboo Paper. Capture your ideas in Bamboo Paper. Shape and share them with the Wacom Cloud and any device with Bamboo Paper. Thanks to WILL™ universal ink, your content stays editable within the Wacom Cloud.

Enhance your iPad experience and go from idea, to cloud, to life with the Bamboo Fineline 2, Bamboo Paper and the Wacom Cloud.

### Natural pen experience

-  Smart stylus that precisely captures ideas on most Samsung pen-enabled devices
-  Balanced in-hand feel delivers a natural, pen-like performance
-  Ultra-thin, fine tip designed for precision and smooth navigation

### From idea to cloud to life

-  Use Wacom Cloud and use WILL™ universal ink for making ideas
-  Works with compatible apps including Bamboo Paper, Autodesk SketchBook®, ArtRage and S Note

## BAMBOO™ Smart

The Bamboo Smart for Samsung Galaxy Note is a smart stylus for authentic handwriting and precise sketching on most Samsung pen-enabled devices. This high-quality stylus is designed for users who want a premium design and a more authentic pen experience on their devices. The Bamboo Smart offers smooth navigation and seamless compatibility with key apps, including Autodesk SketchBook®, ArtRage, S Note and Bamboo Paper.

The Bamboo Smart for Samsung Galaxy Note is compatible with select Samsung Galaxy Note and Tab A with S Pen tablets: Samsung Galaxy Note® 3, Galaxy Note 4, Galaxy Note Edge, Galaxy Tab A 9.7" with S Pen, Galaxy Tab A 8.0" with S Pen.

Explore the smart difference and enhance your experience with Samsung pen-enabled devices. The Bamboo Smart's ultra-thin tip and balanced in-hand feel delivers precise, pen-like performance.

### Smooth performance on touch screens

Excellent navigation on touchscreens. Compatible with tablets, smartphones and PCs with touchscreens

## BAMBOO™ Solo

### Make the most of your touchscreen

The Bamboo Solo is perfectly balanced for an authentic pen-like experience. This premium stylus enables you to write and navigate with accuracy on today's smartphones, tablets and touchscreens.

### Thoughtfully designed

Capture notes with increased speed and clarity thanks to the well-balanced, brushed aluminium exterior and premium design. The aluminium cap protects the long-lasting tip and includes a clip to secure the stylus to your pocket, purse or tablet cover. The durable and replaceable carbon fiber nib is designed for extended use.

### Smooth performance on touch screen and paper

-  Excellent navigation on touchscreens. Compatible with tablets, smartphones and PCs with touchscreens
-  Replaceable carbon fiber nib and ink cartridge for lasting durability
-  Premium quality ball-point pen
- + Stylish, premium design in six colors
- + Easily switch from touchscreen to paper

### From idea to cloud to life

-  Use Wacom Cloud and use WILL™ universal ink for making ideas
-  Download the Bamboo Paper note-taking and sketching app for free and do more

## BAMBOO™ Duo

### Stylus + Inking pen for touchscreens

#### Expression and versatility

The Bamboo Duo is a premium stylus that offers the flexibility of a stylus and a pen. This innovative stylus features a carbon fiber nib on one end, and a high-quality pen on the other. The tip design makes it easy to navigate smoothly through smartphone and tablet menus and keypads.

#### Thoughtfully designed

The Bamboo Duo is constructed of high-quality brushed aluminum and designed for a balanced feel. Easily switch from touchscreen to paper by flipping the stylus around to use the high-quality pen. The aluminum pen cap protects the pen, and clips onto pocket, purse or tablet cover. The durable and replaceable carbon fiber nib and replaceable ink cartridge are designed for extended use.

#### Quality performance on touch screens

-  Excellent navigation on touch screens
-  Balanced ergonomic design delivers a natural writing experience
-  Durable, easy-to-replace nib
- +** Premium stylus at an affordable price

#### From idea to cloud to life

-  Use Wacom Cloud and use WILL™ universal ink for making ideas
-  Download the Bamboo Paper note-taking and sketching app for free and do more

## BAMBOO™ Alpha

The Bamboo Alpha is an affordable stylus for navigation on touchscreens. It delivers a natural writing experience with balanced in-hand feel and a new premium design featuring an ergonomic aluminum body, laser-engraved logo and a pen clip that is both minimal and functional. The Bamboo Alpha is made of durable materials with a new nib designed for longevity and to feel better on screen.

# BAMBOO™

## Paper

### The app to turn your tablet into a paper notebook

Capture your ideas everywhere, anytime. Taking notes, sketching, and drawing is as straightforward and simple as using real pen and paper. For the best result and experience, use Bamboo Paper together with a Bamboo Stylus.

- Use a selection of six expressive pens and brushes for writing, sketching, coloring, and marking.
- Enrich your notes or journal with photos. Add images or photos to your page and sketch or write on top.
- Have your notes, doodles and drawings automatically synced to the Wacom Cloud.
