

# HD WEBCAM

## C615

### The versatile HD webcam with fold-and-go design and 360-degree swivel

HD video your way. You've got more and better ways to share your world with HD Webcam C615. Record Full HD 1080p videos of your thoughts, talents and tales, and post them on Facebook® or YouTube™. Have a face-to-face with your best friend in crisp, clear HD 720p. It's versatile, too. Fold it up. Pop it in your bag for a road trip. Capture what you're doing at any angle with the 360-degree swivel. It's HD video calling and sharing—however, whenever, wherever you like.

#### FEATURES

- Record sharp, vibrant HD 1080p videos that capture the smallest details
- Video chat in fluid HD 720p on Skype™, Google Hangouts, FaceTime for Mac® and most other major video calling services
- Enjoy flexibility, performance and fluidity that built-in webcams can't match
- 360-degree full-motion rotational camera, fold-and-go portability and tripod-ready base
- Premium autofocus for razor sharp images, even in close-ups
- Built-in microphone filters out background noise
- Record clear videos even in dim or poorly backlit settings thanks to automatic light correction

#### WHAT'S IN THE BOX

- Webcam with 3-foot cable
- Tripod-ready base
- User documentation

#### WHAT YOU NEED

- Compatible with Windows® 7, Windows® 8, Windows® 10 or later
- Chrome OS™
- Works in USB Video Device Class (UVC) mode: Mac OS® 10.6 or later (HD 720p on FaceTime for Mac or other supported video-calling clients; Full HD 1080p video recording with QuickTime Player), Chrome OS™ and Android™ v 5.0 or above (with supported video-calling clients)
- USB port
- Internet connection
