- **4 Total Pumps:** 1 x 5BHP (4CHP) 2-speed pump + 2 x 5BHP (4CHP) high-speed pumps + blower pump
- **Sound System:** Bluetooth-ready system with subwoofer and with 2 topside speakers.
- **Cabinet:** Sleek faux carbon-fiber and faux woodgrain synthetic automotive-grade finishes on Oxford's corners shine with ele-

gance and pair well with the matte finish woodgrain synthetic side panels.

- **Sanitation:** Oxford's combination UV/O<sup>3</sup> dual sanitation system provides enhanced water purification through ultraviolet light and ozone for safety and cleanliness!
- **Jet Count:** 121 total jets. 101 two-tone designer stainless steel adjustable hydro jets plus 20 stainless steel air jets including: 56 back jets; 24 leg jets; 14 neck/shoulder jets; 12 seat jets; 8 hip jets; and 7 foot jets.
- **Waterfall:** LED multi-color lighted water cascades
- **Air Controls:** Lighted, S-style air controls for zoned massage
- **Insulation:** Insulated using reflective surface backed foam fitted tightly to the spa frame, which provides heat retention while still providing easy access to spa components for service.
- **Lighting:** LED Jets, LED water cascades, LED lighted cup holders, underwater lighting and exterior cabinet lighting, large underwater light and lighted control knobs
- **Made in the U.S.A.**
