HL-2240D
Compact Laser Printer with Duplex Printing

This monochrome laser printer is designed for small offices or home offices and features automatic duplex for printing two-sided documents with ease. Offering a fast print speed and high-quality output, it quickly produces professional-looking letters, reports, spreadsheets and other documents. In addition, its stylish, space-saving design fits virtually anywhere and complements any environment. Affordable to own and operate, the HL-2240D uses a high-yield replacement toner cartridge* to help reduce your operating costs.
