ViewPoint Series

ViewPoint BP 250 AW

ViewPoint CS 40, CS 60 and CS 80

- **Get smart organization for your action video camera gear** with ViewPoint cases that fit the depth and form factors of top-selling brands. Case designs are built with adjustable dividers and a wall of accessory straps to keep mounts, cables and batteries neat and secure.
- **Keep things flexible.** Use the ViewPoint Backpack 250 AW for any passion or pastime. A deep front pocket and roomy upper compartment include space for all the extras, including a laptop and tablet.
- **Expand your capacity** with a clever system of outer straps and included quick-release straps. Secure a tripod, skateboard, trekking poles or other gear to suit your day.

ViewPoint Series

ViewPoint BP 250 AW

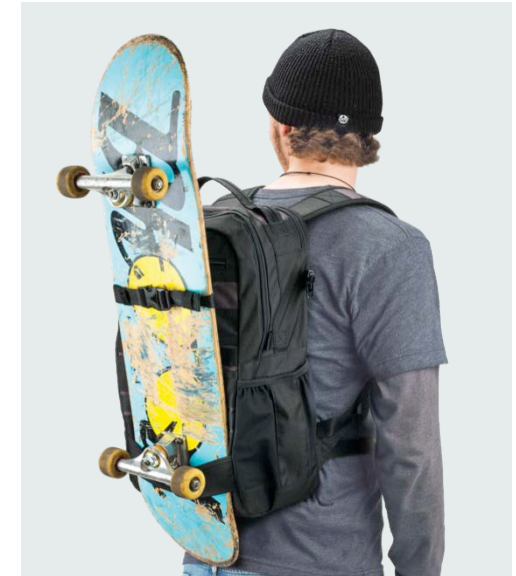

Padded backpad and straps provide all-day comfort. Use sternum strap to customize fit when you're on the move. Includes laptop and tablet compartment.

Roomy upper compartment leaves lots of room for any type of extras you want for your day—from a loop to secure headphones to a see-through zip pocket for accessories and personal stuff.

Clever strap system on front and sides gives you the flexibility to expand capacity with a compact tripod or other go-to items.

Even your favorite skateboard attaches to the ViewPoint pack. Use the extra straps to secure it in place and help keep you mobile.
