Improved Dual-Edge Blade

Dual-edge blade features multiple cutting surfaces so hairs entering the trimmer from the sides *and* the top are cut. Perfect for trimming individual stray hairs on the eyebrows or for beard detailing.

Convenient Mirror Included

**Hygienic and fully immersible.
Rinses clean under the faucet.**

Fully immersible body and head allow rinsing under the faucet for hygienic use any time.

Hypo-allergenic, stainless steel blades are curved to match the contour of your nostrils so hairs are trimmed precisely and at even lengths.

Operates on one AA (LR6) alkaline battery.
(not included)
