6. Requires internet connection and an account with desired service. For more details see www.connectprintshare.com.
7. Requires internet connection. For more details visit www.connectprintshare.com.
8. PC-Fax Send only for Mac® users.
9. See system requirements on www.brother.com
10. Maximum number of printed pages per month and can be used to compare designed durability between like Brother products. For maximum printer life, it is best to choose a printer with a duty cycle that far exceeds your print requirements.
11. The recommended range of monthly printed pages to achieve the best possible performance and printer life. Printers are intended to handle occasional usage beyond the range with little or no effect. Consistently printing above the recommended print volume, however, may adversely affect the print quality or life of the machine. It is always best to choose a printer with an appropriate recommended print volume to allow for any anticipated increase in printing needs.
